01 Profile Summary

I'm a Graphic Designer and UI/UX Designer with 6+ years of experience in branding, digital design, video editing, and visual communication. Over the years, I've worked on social media campaigns, presentations, logos, packaging, print materials, and motion graphics for clients across different industries. I enjoy solving design problems, learning new skills, and creating visuals that not only look good but also communicate the right message.

02 Work Experience

August 2024 - Present

Senior Graphic Designer at The dot Professionals, (Andheri)

- Design and develop high-impact visual communication materials, including social media creatives, digital campaigns, branding assets, and marketing collateral for international clients.
- Create and edit engaging video content such as social media reels, promotional videos, podcasts, interviews, and corporate communication videos to enhance audience engagement.
- Collaborate closely with UK-based teams to understand business objectives, maintain brand consistency, and deliver creative solutions aligned with client expectations.
- Design professional business presentations, pitch decks, and corporate documents that effectively communicate complex information through compelling visual storytelling.
- Produce print-ready artwork for brochures, flyers, banners, standees, event materials, packaging, and other marketing collateral while ensuring high production quality.
- Design packaging solutions that balance aesthetics, functionality, and brand positioning across various product categories.
- Contribute innovative design ideas and creative strategies that support business growth, improve user experience, and strengthen overall brand communication.

October 2020 - July 2024

Senior Graphic Designer at Bricks Media, (Thane)

- Designed impactful logos and branding materials to strengthen clients' visual identity.
- Edited promotional videos and social media content to enhance online presence.
- Created engaging social media posts, driving user interaction and brand visibility.
- Created Website Design Templates for various clients in diverse industries such as Education, Solar Industry, Individual Branding etc.
- Maintained effective communication with clients to understand their requirements and deliver customized design solutions.
